## **Inc. Magazine Unveils Its Annual List of America's Fastest-Growing Private Companies—the Inc. 5000**

**For the 2nd Time, QEO Insurance Appears on the Inc. 5000, Ranking No. 54th With Three-Year Revenue Growth of Nearly 5,000 Percent**

**NEW YORK, August 14, 2019** – *Inc.* magazine today revealed that QEO Insurance is No. 54 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

"QEO's dedicated team of employees deserves credit for our appearance on this prestigious list," said QEO CEO David Disiere. "Their hard work has allowed this company to grow and become the number one privately-owned insurance company in the country."

Not only have the companies on the 2019 Inc. 5000 (which are listed online at [Inc.com](http://Inc.com), with the top 500 companies featured in the September issue of *Inc.*, available on newsstands August 20) been very competitive within their markets, but the list as a whole shows staggering growth compared with prior lists. The 2019 Inc. 5000 achieved an astounding three-year average growth of 454 percent, and a median rate of 157 percent. The Inc. 5000's aggregate revenue was \$237.7 billion in 2018, accounting for 1,216,308 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000).

“The companies on this year’s Inc. 5000 have followed so many different paths to success,” says *Inc.* editor in chief James Ledbetter. “There’s no single course you can follow or investment you can take that will guarantee this kind of spectacular growth. But what they have in common is persistence and seizing opportunities.”

The annual Inc. 5000 event honoring the companies on the list will be held October 10 to 12, 2019, at the JW Marriott Desert Ridge Resort and Spa in Phoenix, Arizona. As always, speakers include some of the greatest innovators and business leaders of our generation.

QEO provides commercial transportation insurance products generally with three broad categories: energy, local delivery, and the construction industry. QEO provides personalized service, focused on a quick response for its independent agents and their clients. It was established by David Disiere in 2014 and has more than 70 employees at offices in Irving, Texas and Miramar, Florida.

## More about *Inc.* and the Inc. 5000

### Methodology

The 2019 Inc. 5000 is ranked according to percentage revenue growth when comparing 2015 and 2018. To qualify, companies must have been founded and generating revenue by March 31, 2015. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2018. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2015 is \$100,000; the minimum for 2018 is \$2 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in *Inc.*’s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/inc5000>.
